

GLENN KAISER BAND

The Chicago based **Glenn Kaiser Band** is a classic blues/rock trio packing a musical punch reminiscent of Cream, Johnny Winter, ZZ Top, and Gov't. Mule.

GKB is led by **Glenn Kaiser**, longtime frontman for the pioneering Christian rock group Resurrection Band. Kaiser's soulful, bluesy vocal style and searing electric, slide, and lap-steel guitar work is complimented by the rock-solid playing of bassist **Roy Montroy**, also a former member of Resurrection Band. Along with playing bass, Montroy teams up with Kaiser to write most of the band's songs. Drummer **Ed Bialach** drives **GKB's** sonic barrage with precision and flair. The multi-talented Bialach began his association with Kaiser and Montroy as the live sound engineer for Resurrection Band.

GKB shows exhibit a broad spectrum of hard rock and authentic blues. Sets feature tunes from **GKB's** CD releases *Winter Sun*, *Carolina Moon*, *Blacktop*, *GKB Live* and their latest, *Octane*, as well as songs from Kaiser's solo projects *Spontaneous Combustion*, *Ripley County Blues* and *Bound for Glory*. The essence of this band is the creative spark generated by three talented musicians who obviously enjoy playing with and off each other. This is evident nightly, manifested in highly entertaining, spontaneous, extended jams. A **Glenn Kaiser Band** concert positively crackles with an energy and fire certain to warm the heart of any blues enthusiast.
